

Catalina / Yachts

Get Your Dream's Worth.

Catalina 18mkII

Standard Features

Sails

Dacron mainsail with battens, class insignia and Jiffy reefing hardware. 135% furling genoa, with sheets, UV protection panel and furling gear.

Hardware

We use top quality hardware. Blocks are low-friction ball bearing construction.

Hull

One piece white fiberglass hull with molded in blue waterline stripe, and trailer bow eye. Foam flotation and lead ballast wing keel.

Rig

Anodized aluminum mast and boom. Barney post for mainsheet in cockpit. Adjustable boom vang.

Rigging

Low stretch halyards and stainless steel standing rigging with turnbuckles.

Deck

One piece fiberglass white deck, with molded-in non-skid surface. Molded-in fuel locker and sliding companionway hatch.

Cockpit

Large self-bailing cockpit, pump with through deck handle. Separate storage and fuel lockers. Stainless steel boarding ladder with contour treads.

Tiller/Rudder Assembly

Fiberglass composite rudder construction. Hardwood tiller with extension.

Interior

Cabin overhead liner with teak trim. Opening forward hatch and ice chest. Cushions for v-berth and settee berths.

The entire deck, cabin house and cockpit are new for the mark II edition of the popular Catalina 18. More sculpted curves have contributed to a boat that is more comfortable in the cockpit, safer on deck and more pleasing to the eye. The cockpit seats are still 6 ft. 10 inches long and even more comfortable than before. Below is a well lighted and ventilated compartment, perfect for overnight accommodations for a couple or family with children. Shoal draft and good performance in light and heavy winds dictated the Capri 18 hull shape. The Catalina 18mkII is well balanced and light on the helm, inspiring confidence in the learning sailor and delighting the seasoned skipper.
