The purpose of this class is to introduce beginning and inexperienced sailors to the basics of sailing on a keelboat. This course will be taught on a Catalina Capri 22. Students will benefit from having a small class size of up to four people. This course is an ideal prerequisite to ASA Basic Keelboat Classes for those who have never sailed or want to brush up on their skills before taking Basic Keelboat. The cost is \$195 for a six-hour day of sail instruction (classes will be shortened if the class is not full). Classes are capped at 4 students.

Weekend ASA Basic Keelboat Classes at PYC (\$50 discount to PYC members!)

June 29/30 , August 24/25, September 21/22

(Additional classes scheduled as needed)

In this ASA certification class you will learn basic sailing skills, rigging, safety, sail vocabulary, knot tying, and much more. The fee, \$475 (\$425 for PYC members), includes all ASA materials, instruction, certification, and lunch. All sailors are also required to become a member of ASA (additional fees may apply). All new sailors can prepare for this class by taking the One-Day Sailing Class for Beginners.

Private Lessons

If you are unable to attend a scheduled class or would like to learn to sail privately, private lessons are a great option to accommodate your schedule and sailing needs. Private lessons are taught on our Catalina Capri 22.

The cost for private lessons are \$100 an hour with a two hour minimum (weekends), 3 hour minimum (weekdays) with up to four students of your choosing.

Private lessons are great for: Checking 'learn to sail' off the bucket list, treating yourself and or your family to a fun day on the water, working on specific sailing skills, extra practice for sail certification, getting out on the water on a schedule that works for you!
